Winter/Spring Semester 2024 Policies

Our Responsibilities

We will teach your child the language and enjoyment of music. Our studio has a positive, enthusiastic and inspiring environment. Curriculum is tailored to match each student's specific learning needs.

Student & Family Responsibilities

Students agree to arrive at each lesson punctually, well-prepared, and with their assignment books and music. To make good progress, quality practice is necessary. We want your child to completely understand every assignment. Please ask questions.

If your child is experiencing anything at home or at school that might interfere with their ability to focus and learn during their lesson, please notify us so that we can accommodate the needs of your child. A quick text on the way to lesson can make the difference between a great lesson and a difficult one. (Did Max just find out that he didn't get the part in the play? Give us a heads up. Was Jane hospitalized on your recent trip to Thailand? Let us know!) We don't expect personal/private details, but even a general idea gives us the ability to adjust our approach for your child.

Cancellation Policy

- Any lesson that a teacher cancels will be made up.
- No payment credit or makeup lessons will be provided for students who miss lessons for any reason.

Please understand that the tuition you pay reserves an exclusive weekly time in the schedule for your child.

Termination Policy

In the event a student decides to terminate lessons, a **two** week notice is required, along with any fees that are due up to the point of termination.

Inclement Weather

In the event we are experiencing a weather event to include flooding, tornado warnings, snow and/or ice on the roads and lessons are cancelled, they will be made up at a later date within the semester.
